Dear AAGEN Current and Prospective Members:

We are in the process of our AAGEN membership drive for 2009/2010. We hope you will take action to renew your membership or become a new AAGEN member.

AAGEN membership entitles you to participate in various programs including:

- Outreach to APA senior government executives and congressional/private leaders
- Mentoring and coaching sessions
- Annual AAGEN conference and award events
- Regular luncheon/dinner education speaking activities
- Networking and social gatherings
- AAGEN Fellowship program
- AAGEN community services
- AAGEN Intranet

The membership due for regular membership (GS-15 or above) is \$60.00 per calendar year (\$110 for 2 years, \$150 for 3 years), associate membership (GS-14 only) is \$40 per calendar year (\$75 for 2 years, \$105 for 3 years), and affiliate friend (GS-13 or below, or non-government) is \$30 per calendar year (\$50 for 2 years, \$70 for 3 years). For GS-15 or above, we also have a lifetime membership category at \$500.00.

The mission of AAGEN is to promote, expand and support APA leadership in the Federal, State and local governments. In the coming months, AAGEN will rededicate itself to its core vision of networking, mentoring and advocacy of workplace issues that touch the lives of its members. Whether breaking glass ceilings or gaining special insight into issues in government policy, management, leadership and communications, AAGEN provides a unique forum for executives and people in the pipeline to share their collective experience and tap into a broad network of colleagues who have successfully and creatively achieved many of the goals you may now be seeking to attain. Visit www.aagen.org for more information.

AAGEN can only succeed with your continued participation and support. To continue the work to increase the number and visibility of APA executives and senior managers, we need your participation.

To join AAGEN you can either register online (www.aagen.org) or complete the hardcopy application form and mail to the address provided. Please take action now to become a part of AAGEN. Looking forward to hearing from you and seeing you in the near future!

Sincerely,

Yann King
Chair, AAGEN
